Follow us on Facebook “Grace and Holy Trinity Church.”
Here at Grace & Holy Trinity, we do three things:
- We build strong disciples.
- We build a strong church community.
- We serve God and the world God has made.

These goals are brought to life through a variety of programs and ministries. They are described briefly on the next page. More information is available on our website at www.ghtc.org

Please contact a member of the clergy or staff if you have questions, concerns or needs.

The **Episcopal Campus Ministry** at Grace and Holy Trinity Church is a place for any college student seeking a Christian community of worship, spiritual discernment, fellowship and service. Many students attend the 5:00 pm Sunday worship which is followed by dinner during the academic year.

**Our Programs and Ministries**

**SWEEPPS** is an acronym to help us remember our work in service, worship, education, evangelism, pastoral care, parish life and stewardship.

**Service:** We help feed, clothe and house those in need, and we conduct overseas mission trips. We encourage “hands-on” participation.

**Worship:** We offer worship services in a variety of styles. Music is an important part of our life.

**Education:** Classes are held at 10:00 am Sundays for all ages September to May. Adult education continues over the summer along with special activities for children and youth.

**Evangelism:** We share the love of God in Christ Jesus by inviting, welcoming and incorporating people into the life and ministries of the church.

**Pastoral Care:** Grace & Holy Trinity is a compassionate congregation where clergy and members care for one another.

**Parish Life:** Our church offers an abundance of opportunity for fellowship, including Sunday breakfasts, summer picnics, monthly gatherings for young adults, dinners, book clubs, and a retreat at the Diocesan Center at Shrine Mont in the Shenandoah Valley.

**Stewardship:** We embrace the return of our gifts of time, talent and financial resources to God in thanksgiving for all God has given us.

Each program involves a committed group of volunteers. To join or learn more, please speak with any member of the staff.
